

AV Shelf for Dual Pole Carts and Stands

Model: **PSD-SHLF**

Weight Capacity: 25 lb / 11.3 kg.

Features

- 1 Designed for compatibility with PSD-HDCA Dual Pole Adapter to install anywhere onto dual pole carts and stands, without the need to remove the display
- 2 Sturdy steel construction
- 3 Provides extra storage space for AV equipment

The PSD-SHLF is a shelf accessory designed to work with PSD-HDCA adapter so that it can easily install onto dual pole carts and stands. The shelf is designed out of sturdy steel construction, making it extremely durable and yet still very easy to install and adjust along any length of a dual pole cart or stand. When used with the PSD-HDCA, the PSD-SHLF can be mounted directly to the dual poles without the need to remove the display.

Designed to provide extra storage space for AV equipment

Mates with the PSD-HDCA to be mounted to dual pole carts and stands without the need to remove the display

Sturdy steel construction makes the shelf durable yet easy to install and adjust anywhere along the poles
