

# Speaker Bag for 12" Speakers

SB1200 | 14037

## Features and Benefits

The On-Stage SB1200 12" Speaker Bag, complete with reinforced undercarriage, cushioned interior and heavy duty, woven nylon exterior with corded piping, takes the protection and appearance of almost any 12" speaker more than seriously. Ergonomics and swift deployment being equally important, durable, EVA padded hand straps make for an all but effortless lift, while heavy gauge dual zippers with oversize tabs provide convenient center access. And with 21 roadworthy, hook and loop side pockets, every cable and accessory you could possibly need is there at your fingertips/all part of the package.
