

PVi® 8500

OVERVIEW

The Peavey PVi 8500 /PV 8500 is a revolutionary all-in-one powered mixer with everything a musician needs: up to eight combination XLR and 1/4" inputs using Peavey's award-winning mic preamps, and 400 watts of peak power for crystal-clear audio reproduction. The Peavey PVi 8500 / PV8500 uses exclusive features like Mid Morph® to accurately help improve tone and clarity of vocals. Feedback is quickly and easily identified and removed with Peavey's nine-band graphic EQ combined with our revolutionary FLS® Feedback Locating System. The PVi 8500 / PV8500 is equipped with Peavey's exclusive Kosmos®-C technology, which drastically enhances both the low and high end of the audio spectrum. Footswitchable, built-in 24-bit digital effects complements the already feature-packed unit. Connect virtually any music device to this versatile mixer via the onboard 1/4", RCA and 1/8" mini jacks.
