IRiS™ IP3

LIFE

BEFORE YOUR EYES.

IRiS™ IP3 by BLIZZARD LIGHTING is the result of an exclusive partnership with one of the world's largest manufacturers of LED video products. As a second-generation IRiS™ product, IP3 features over 30 refinements and upgrades which further elevate performance and ease of use.

Featuring robust all-weather construction, upgraded electronics and mechanics, IRiS™ offers class-leading performance and reliability. Plus, with Blizzard's IRiS™ cross-rental program and enhanced 2-year limited warranty, you'll never be short on panels.

IRIS™ IP3

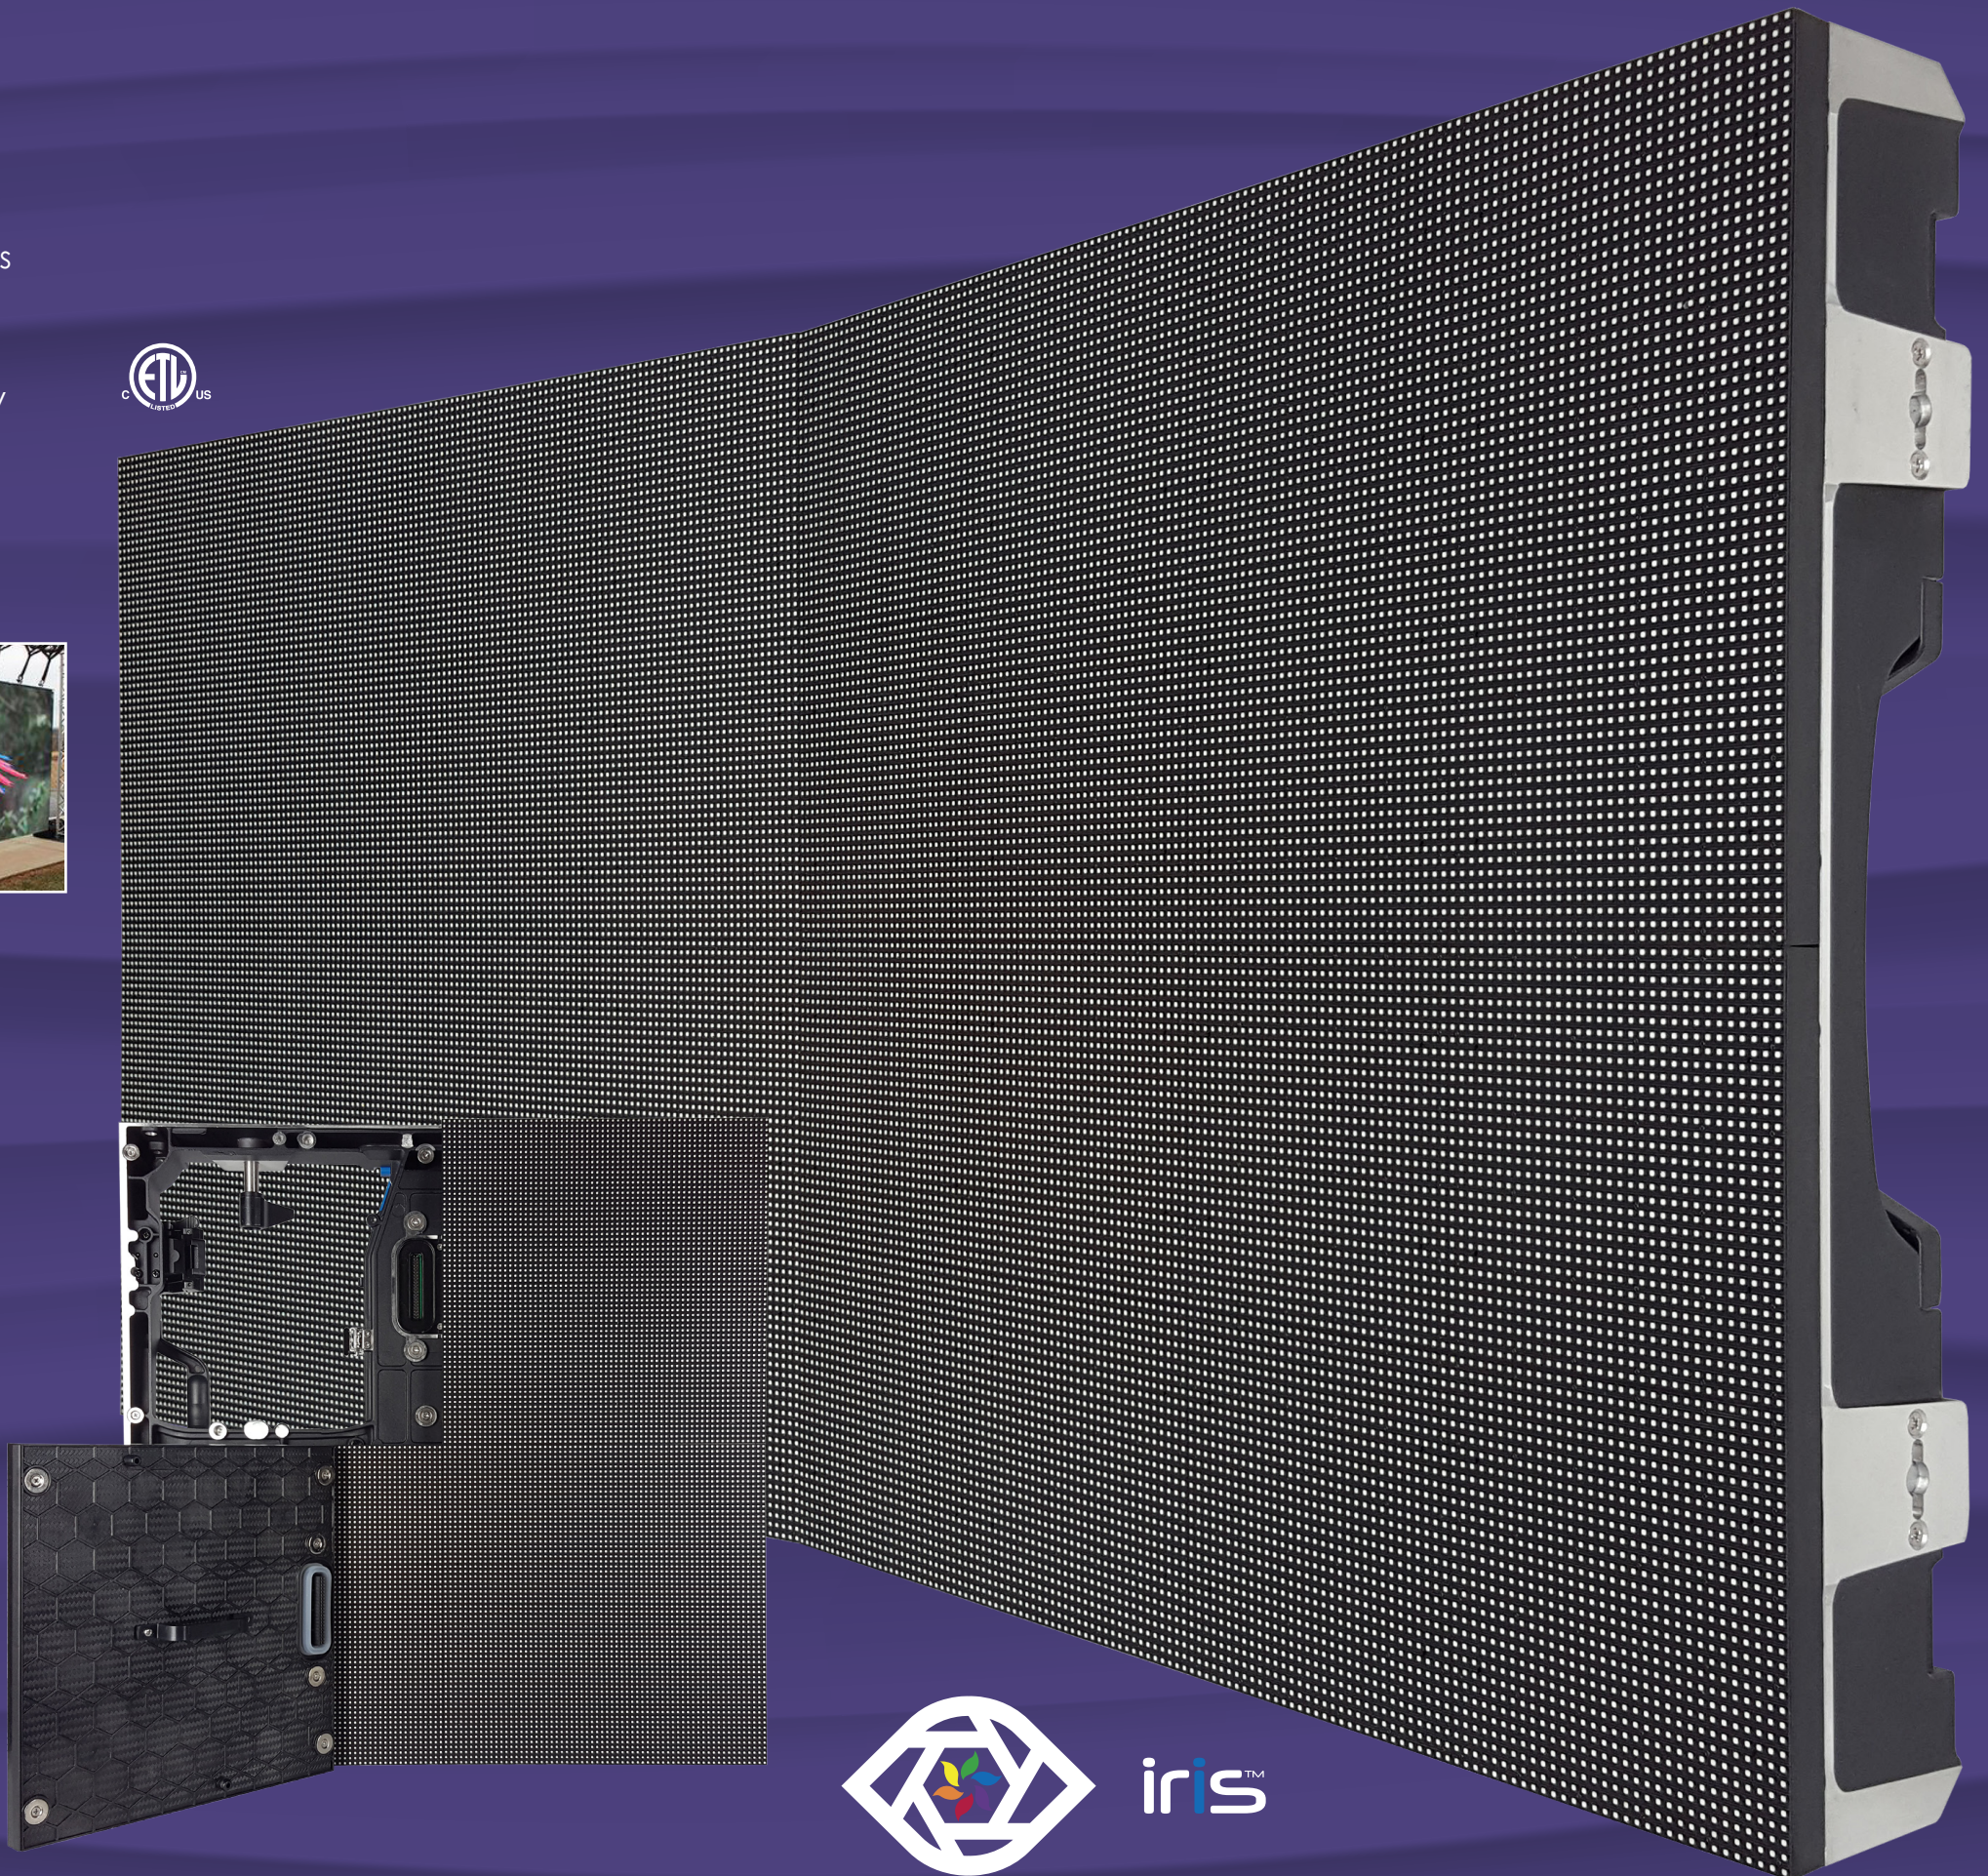

3.9mm Outdoor LED Panel

IP65 (front) rated and real-world tested by crazy Wisconsinites in the dead of winter, IRIS™ IP3 is built to perform anywhere - rain, shine, or three feet of snow with a layer of ice thrown in for kicks. Beyond its outdoorsy personality, IRIS™ IP3 is already exceptional thanks to beautifully executed mechanics, and unparalleled video processing from NovaStar® Armor series receiving hardware.

Main Features

- Panel Dimensions: 500×500×100mm
- Pixel Pitch (mm): 3.9
- LED Type: SMD 1921
- Pixel Per Panel: 128×128
- Curvature: 10° concave, 5° convex maximum
- Brightness (cd/m2): 4500
- Refresh Rate (Hz): 3840
- Panel Material: CNC + Cast Aluminum
- Modules Per Panel: 4
- Module Dimensions: 250×250mm
- Viewing Angle (H/V) (°): 140/120
- Send/Receive: NovaStar® Enhanced (Armor Series)
- Power: Seetronic® Powerkon IP65 in/out
- Data: Seetronic® Etherkon IP54 in/out
- IP Rating (Front/Rear): IP65/IP54
- Certificate: cETLus | FCC | CE | RoHS
