

PRODUCT HIGHLIGHTS

- Compact and easy to connect to your TV
- Streams music wirelessly via Bluetooth
- Control with your phone or TV remote
- HDMI In/Out
- Surround sound-ready¹

Easy to connect and easy to place, the HW-N400 TV Mate is a compact soundbar that improves your TV experience. Instantly hear clearer dialogue and experience deeper bass. Plus, stream music by simply connecting your smart devices to the soundbar via Bluetooth.

KEY FEATURES

SWEET SPOT ANYWHERE YOU SIT

Take in rich TV sound from virtually anywhere in the room with a wide-range tweeter engineered to disperse sound evenly.

SEAMLESSLY PAIRS WITH YOUR TV

TV Mate pairs easily with your TV. Simply connect wirelessly via Bluetooth² or wired via HDMI. Place it beneath your TV or mount it on the wall, and you'll be enjoying better TV sound in minutes.

MUSIC STREAMING VIA BLUETOOTH

Your soundbar also acts as a Bluetooth speaker. Easily play music from virtually any streaming service by connecting your smart device to the soundbar via Bluetooth.

CONVENIENT CONTROL

For power, volume and even for the sound effects, you can control key soundbar functions with a Samsung TV remote through the TV UI.² Or control your soundbar with the Samsung Audio Remote App on your smartphone or tablet running on the Android™ operating system.³

WIRELESS SURROUND SOUND-READY

The Wireless Surround Sound Kit¹ lets you expand your soundbar to a surround sound system easily without the mess of wires.⁴ Together with your soundbar, you can create a channel system for a true surround sound experience.

¹Rear wireless speaker kit sold separately.

²Compatible with selected Samsung TVs. Check in-store for more details.

³Android is a registered trademark of Google Inc. Bluetooth is a registered trademark of Bluetooth SIG Inc.

⁴The wireless module requires a power cable. Rear speakers are connected to the module by cable.
