

## 4Bar LT QuadBT

The rich, warm color-mixing power of amber LEDs comes to one of the most convenient pack-n-go wash lighting systems anywhere. This quad-color (RGBA) fixture comes equipped with built-in Bluetooth® wireless technology so you can light easier right from your phone or tablet with the [BTair](#) app (patent pending). This complete wash lighting solution has 4 individually adjustable heads to achieve total room or stage coverage. Easily set up and tear down in seconds with the included tripod, carry bags and footswitch.

The Bluetooth® word mark and logos are registered trademarks owned by the Bluetooth SIG, Inc. and any use of such marks by Chauvet & Sons, LLC is under license. Other trademarks and trade names are those of their respective owners.

# Highlights

- Complete wash lighting solution with built-in Bluetooth® wireless technology
- Control directly from a smart phone or tablet without any additional hardware
- Generate a broad spectrum of colors and achieve natural-looking color temperatures with punchy amber LEDs
- Easily set up and tear down in seconds with the included tripod, carry bags and footswitch
- Create large, coordinated light shows with other 4BAR fixtures in master/slave mode
- Achieve total room or stage coverage with 4 individually adjustable heads
- Easily control static colors and automated programs with the optional [IRC-6](#) remote
- Sound-activated programs dance to the beat of the music
