PRO SERIES PRO369-RC

Touring Grade Road Case for MIDAS PRO3, PRO6, PRO9 and PRO X Live Digital Console Control Centres

- Touring grade road case for MIDAS PRO3, PRO6, PRO9 and PRO X Live Digital Console Control Centres
- Features marine grade plywood, aluminium extrusions and composite density protective foam
- Designed and engineered in the U.K.

The PRO1-RC touring grade road case for the MIDAS PRO3, PRO6, PRO9 and PRO X Live Digital Console control centres is designed to withstand the rigours of live concert tours and is constructed from 12 mm thick rigid marine grade plywood with 40 x 40 mm durable aluminium edging extrusions. Dual load-bearing spigots that couple the weight of the console chassis directly into the road case and composite density foam provides internal support and superior protection in transit, night after night, city after city.

The PRO369-RC features premium Penn-Elcom* castors and RK* handles for long working life.

PRO369-RC ships with a removable protective pallet that allows the road case to be stored and shipped on its side.

You Are Covered

We always strive to provide the best possible Customer Experience. Our products are made in our own MUSIC Tribe factory using state-of-the-art automation, enhanced production workflows and quality assurance labs with the most sophisticated test equipment available in the world. As a result, we have one of the lowest product failure rates in the industry, and we confidently back it up with a generous Warranty program.
