

## ROKBOX™ 5 RGBAW

The RokBox™ 5 - Revolutionary high powered 5-in-1 LED wash fixture

The box... one of the most useful, time tested, and attractive 3-dimensional shapes ever created is once again new and improved!

With the addition of 18x 15-watt RGBAW 5-in-1 LEDs, advanced electronics, and dual hanging brackets with secure grip locking knobs, the RokBox™ 5 is sure to be a great addition to your lighting rig!

It features 4/5/9 or 10 DMX channel modes, which means it works great with any type of controller, including popular 4-channel controllers. You'll have full control of all that RokBox™ 5 has to offer such as RGBAW color mixing, 31 built-in programs, ultra smooth flicker-free 32-bit dimming (5 user-selectable dimming curves), and even easy HSV color mixing ability in 4-channel mode.

The super-easy to use built-in 4-button LED control panel also allows total control over the fixture including master/slave settings, sound active mode, built-in programs, auto mode, custom RGBAW color mixing, and user adjustable fade/strobe effects for a totally rocking light show!

It also comes equipped with industry standard powerCON® compatible power input/output connections & 3-pin DMX connections which are all strategically placed on the back of the unit in a way that allows you to use the RokBox™ 5 in ANY position, including flat on the floor. This makes the RokBox™ 5 a perfect solution for any of your uplighting and/or truss warming needs!

Check out the RokBox™ 5 today. It's hip to be square!
