- "Wireless ready" for high-quality BEHRINGER ULM digital wireless microphone system (not included)
- Dedicated microphone input with volume control
- Additional Aux input to connect to your CD player
- Powerful 6" woofer and high-resolution tweeter driven by a Class-D amplifier
- Integrated stand mounting with 35 mm pole socket
- "Planet Earth" switching power supply for maximum flexibility (100 - 240 V~) and low power consumption for energy savings
- 3-Year Warranty Program*
- Designed and engineered in Germany

Use the extremely lightweight, yet powerful EUROPORT MPA30BT PA system to stream songs from your Bluetooth-enabled iOS device at the next company picnic, or to get your message across on the playing field. With its 30-Watt amplifier and premium 2-way speaker system, the MPA30BT provides superb sound for up to 100 people – and the rechargeable battery lasts up to 20 hours. You can use a traditional-style microphone, or up to 2 of our ULM digital microphones (mics not included) to create a supremely easy-to-use wireless, go-anywhere PA system!

Bluetooth Ready

The days of tape decks and CD players are long gone. Now your music lives on your smartphone or computer tablet, so you can stop searching for those outdated cables and fancy adapters. Now with a simple wave of your hand, you can stream music from any Bluetooth-equipped device such as your iPad, iPod touch, iPhone or even your laptop computer. Now, isn't that easy?

Battery Operation

Ultra-Portability

The great-sounding MPA30BT is amazingly-lightweight (10.7 lbs/4.9 kg) thanks to its highly efficient Class-D amplifier, and the onboard battery pack keeps the party going for up to 20 hours – without a power outlet in sight!

Built-in Mixer & Wireless Option

Loaded with features, the MPA30BT comes equipped with an onboard 2-channel mixer with the same ultra-low noise, high-headroom mic preamps that have made our mixers legendary, plus an Aux input for that aforementioned CD player. Also included is Bluetooth connectivity for streaming audio directly from your iOS device, and our proprietary ULM wireless technology. Sold separately, [BEHRINGER ULM Series](#) digital mics integrate seamlessly to expand your MPA30BT system to handle virtually any live sound application.

Sound Value

Whether you set your MPA30BT speakers on a table, or mount them on optional speaker stands, you'll enjoy music streaming through this rich-sounding, easy-to-setup system in mere moments. See your [BEHRINGER](#) dealer, or order your EUROPORT MPA30BT online – and put a little easy in your life today!
