

Speaker Pole & Lighting Bar Bag

The Bag-SP/LT Speaker Pole / Fly Point Lighting Bar Bag from Ultimate Support was designed for users of SP Series Speaker Poles and the LT-48 FP Fly Point Lighting Bar. The bag can carry one lighting Bar, or two speaker poles, or two lighting bars. Sturdy construction, protective foam, and an easy to carry handle make the Bag-SP/LT a perfect choice for moving your setup in and out of the venue.

Two Storage Compartments

The SP/LT has two roomy compartments for either storing one speaker pole and lighting bar or two of the same.

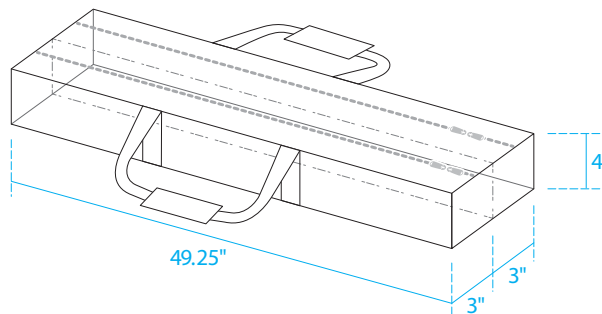

Made of Strong Materials

The bag is made from strong materials and has an additional thin layer of foam for added protection.

Handle for Easy Transportation

The strong, comfortable handle helps ease the burden of carrying your speaker and lighting setup to and from the venue.
