

Guitar Stompboxes

SUPER FUZZ SF300

3-Mode Fuzz Distortion Effects Pedal

- Recreate the whole variety of famous fuzz tones of the '60s and '70s
- This BEHRINGER product has been designed to compete head to head with leading products on the market
- 3 different sound modes for classic fuzz, grunge and gain boost
- Dedicated Gain, 2-band EQ and Level controls for awesome sound≈shaping
- Status LED for effect on/off and battery check
- Runs on 9 V battery or the BEHRINGER PSU-SB DC power supply (not included)
- First-class electronic On/Off switch for highest signal integrity in bypass mode
- 3-Year Warranty Program*
- Conceived and designed by BEHRINGER Germany

If the raw, Neanderthal power of history's most-sought after stomp boxes inspires you to plug in, turn on and rock out, it's time to expand your mind with the SUPER FUZZ SF300. This amazing pedal gives you 3 different sound modes for classic fuzz, grunge and gain boost, controllable via the dedicated Gain, Level and 2-band EQ controls.

Three Modes of Operation

With the SF300's three unique sound modes you can: channel the grittiest tones of underground proto-punk legends; update your sound into a crunchy industrial cacophony; or opt for a pure gain boost that will shred the competition!

SUPER FUZZ SF300

3-Mode Fuzz Distortion Effects Pedal

Easy to Use

Dedicated Level, Gain, Treble and Bass dials provide tons of tone-shaping options. The SF300's shiny status LED tells you when this wild thing is activated, and a top-quality on/off switch maintains optimum signal integrity in bypass mode. You can power the SF300 with our PSU-SB DC power supply (not included) or a 9V battery.

Value

Whether your sound is overdue for a psychotic overhaul – or you just want to cause some inter-dimensional mayhem, reach for the Super Fuzz SF300. Three stumps in one – a deal that's hard to beat, and the SF300 available now at your [BEHRINGER](#) dealer, or online!

You Are Covered

We always strive to provide the best possible Customer Experience. Our products are made in our own MUSIC Group factory using state-of-the-art automation, enhanced production workflows and quality assurance labs with the most sophisticated test equipment available in the world. As a result, we have one of the lowest product failure rates in the industry, and we confidently back it up with a generous 3-Year Warranty program.
