

TD-6SW

V-Tour® Series

Roland®

New Snare, New Hi-Hat, New Stand!

Roland introduces the newest member of its award-winning V-Drums® line: the TD-6SW, which succeeds the TD-6SV. The TD-6SW features a new type mesh snare pad (PDX-8) and an improved, enlarged hi-hat cymbal pad (CY-5). The MDS-6SL drum stand has been upgraded with a second horizontal tier of pipes to improve stability and durability.

*Actual product appearance may be subject to change.
*Kick pedal not included and shown only for photography purposes.

- New snare mesh pad (PDX-8) with expanded 10-inch rim size to improve the playability of rim shots.
- New hi-hat pad (CY-5) with wider playing surface and a swing-type design, which offers a more natural playing feel and appearance.

- Upgraded drum stand (MDS-6SL) with second horizontal pipes to improve the stability and durability.
- Kit includes TD-6V sound module with over 1,000 top-quality sounds

Brain Power

The core of the TD-6SW kit is the TD-6V Percussion Sound Module, a 64-voice module that offers over 1,000 of Roland's best drum/percussion sounds. Dual-trigger tom inputs allow for rim shots on toms. Large, luminous buttons and a cool, blue display make the TD-6V fun and friendly to use.

Upright Kick

Drummers will appreciate the TD-6SW's upright kick drum pad. Its vertical design not only provides a better feel compared to reverse-type kick pads, but also reduces vibration so you get nothing but solid kick sounds. And here's more good news: The kick pad can accommodate double-bass pedals.

V-Tour® Series TD-6SW

● Percussion Sound Module	TD-6V	X 1
● V-Pad(for Snare)	PDX-8	X 1
● Dual-Trigger Pad	PD-8	X 3
● Dual-Trigger Cymbal Pad(for Hi-Hat)	CY-5	X 1
● Dual-Trigger Cymbal Pad	CY-8	X 2
● Kick Trigger Pad	KD-8	X 1
● Hi-Hat Control Pedal	FD-8	X 1
● Drum Stand	MDS-6SL	X 1

PDX-8 V-Pad
The expanded 10-inch rim design offers a more comfortable playing feel and quieter response.

CY-5 Dual-Trigger Cymbal Pad
This newly designed pad features a 12-inch playing zone and swing movement for a more natural feel.

MDS-6SL Drum Stand
This attractive new rack is a great match for the TD-6SW. It offers double-reinforced curved pipes and a silver finish.
