A clever way to show off your iPad. The mount is guaranteed to hold the iPad (2nd, 3rd or 4th generation) effectively and safely. For use on stage, in the rehearsal room or at home - the 3/8" internal thread means the holder can be attached to any microphone stand easily and quickly. The iPad is clipped in and out of the holder effortlessly. An easy-to-use wing nut adjusts the tilt so the user can easily find a position to suit them. The iPad switches rapidly between the vertical and horizontal format without slipping.
