

### Product Overview:

Available separately as a backup or replacement unit, the LA-203 power supply works with our LA-317 and LA-323 Charging/Carrying Cases. It plugs into a standard outlet and provides consistent, reliable power for safely charging multiple assistive listening units.

### Highlights:

- Compatible with both the LA-317 and LA-323 Charging/Carrying cases
- Safe, consistent power for charging multiple units simultaneously
- Plugs into a standard 120 VAC outlet

### Includes:

One (1) LA-203 7.5 VDC Replacement Power Supply for LA-317/LA-323
