

Product Overview:

Made of sturdy, protective nylon, the pouch is designed to be used with all Listen Portable RF units. Controls, belt clip and connections are all easily accessible through openings, and a clear plastic window allows you to view LCD display. The pouch protects the portable products from weather, drops, and harsh environments. This is a great way to protect your investment.

Highlights:

- Protects RF units
- Access to controls & clips
- Window to see LCD Display
- Made of sturdy nylon
