

### Product Overview:

Our LA-364 IR NiMH Rechargeable Battery Pack is compatible with both the LR-42 and LR-44 receivers, offering an environmentally friendly and convenient way to power ListenIR receiver units. Battery packs are easily charged and stored in the LA-350 8-unit station, and each one offers up to 15 hours of receiver use before needing to be recharged.

### Highlights:

- High-capacity rechargeable packs offering extended charge life
- Compatible with LR-42 and LR-44 receivers
- Up to 15 hours of use on a single charge
- Standard AAA size for easy replacement and storage
