Sling Thing Equipment Transport System

SPEAKER STANDS

FEATURES AND BENEFITS

The Sling Thing is the most affordable solution to transporting speaker stands and other music equipment. This easy-to-use design couples black woven nylon with velcro straps making transport a breeze. Just sling it over your shoulder and go!

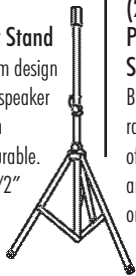

Woven nylon material is strong enough to hold and transport 2 speaker stands.

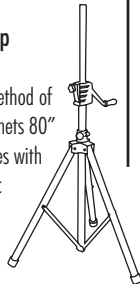

Adjustable shoulder strap.

Holds any of the following On-Stage Stands® models...

(2) SS7730 Classic Speaker Stand
The steel-aluminum design on this affordable speaker stand make it both lightweight and durable. Fits 1 3/8" or 1 1/2" speaker cabinets.

(2) SS8800B+ POWER Crank-Up Speaker Stand
By far the easiest method of raising speaker cabinets 80" off the floor. Operates with any standard electric or cordless drill.

(2) SS7761B All-Aluminum Speaker Stand
Our most versatile speaker stand features a reversible shaft design and may be used with either 1 3/8" or 1 1/2" speaker cabinets.

For the Roadie ON the GO!

Carry all of your gear with comfort and style!
