

DeoxIT Contact Cleaner

D5S-6 — 5 oz Spray, 5% Strength
D100S-2 — 2 oz Spray, 100% Strength

Fast-acting deoxidizing solution designed for use as a general treatment for connectors, contacts, and other metal surfaces.

- Cleans, protects, lubricates, and improves conductivity
- Reduces intermittent connections, arcing, and RFI as well as wear and abrasion
- Safe for use on all metal connectors and contacts and will not harm plastics

DeoxIT FaderLube

F5S-H6 — 5 oz Spray, 5% Strength
F100L-L25C — 25 mL Dropper, 100% Strength

Precision lubricant designed for use on conductive plastic and carbon compound controls.

- Cleans, protects, lubricates, and improves conductivity
- Removes dust, dirt, and drink spills from conductive plastic faders and switches
- Removes oil, grease, and acid buildup on conductive membrane surfaces

DeoxIT GOLD Contact Enhancer

G5S-6 — 5 oz Spray, 5% Strength

Unique conditioning solution designed for use in critical applications where only slight cleaning action is necessary.

- Enhances, protects, lubricates, and maintains optimum signal quality
- Reduces intermittent connections, arcing, and RFI as well as wear and abrasion
- Provides long-lasting protection from oxidation on plated surfaces

DeoxIT SHIELD Contact Protector

S5S-6 — 5 oz Spray, 5% Strength

Provides maximum protection for new and recently cleaned surfaces.

- Enhances conductivity for cleaner audio, clearer video, and more reliable data
- Reduces intermittent connections, arcing, and RFI as well as wear and abrasion
- Creates a long lasting barrier against oxidation and corrosion

DeoxIT Equipment Care Kit

DG100L-2DB

Everything needed to keep gear in optimum condition.

Kit includes:

- One 7.4 mL bottle of DeoxIT Contact Cleaner
- One 7.4 mL bottle of DeoxIT GOLD Contact Enhancer
- Assortment of lint-free swabs and cloths
