

EXTRA CAPACITY (300LBS.) KEYBOARD BENCH

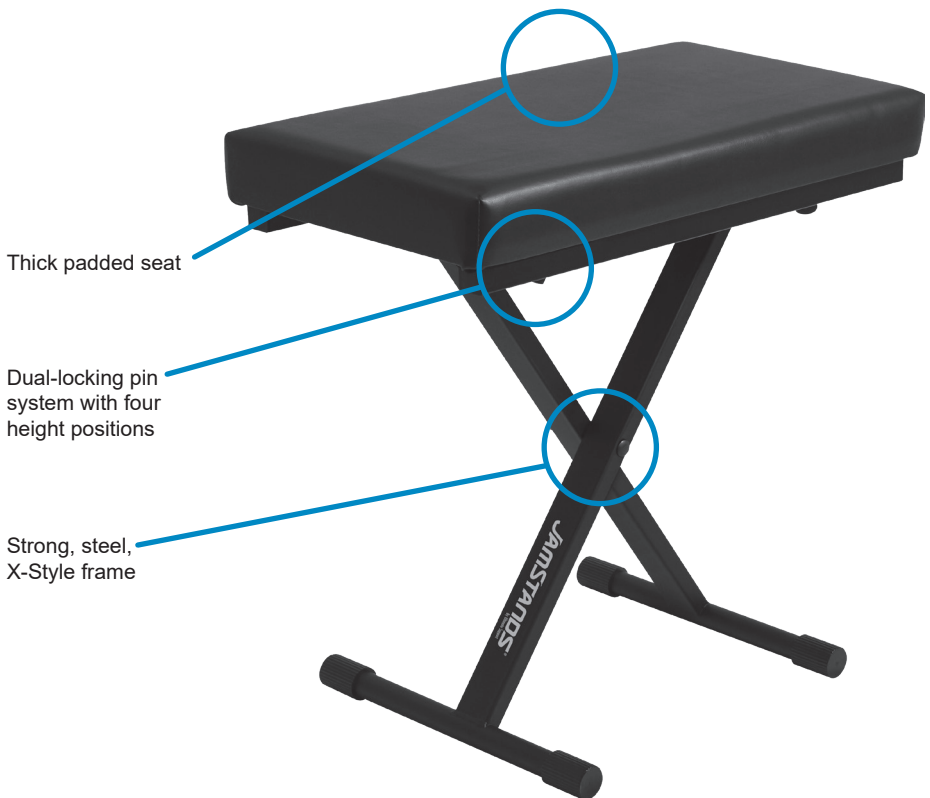

JS-XB100-B ITEM# 18401

The JamStands JS-XB100-B is our best portable piano bench yet. This full featured bench offers extra capacity (up to 300 lbs.) in a travel ready size! The thick (2.5") padded seat helps prevent fatigue on stage or in the studio, and four positions make the bench easily adjustable to your preferred height. The sturdy, x-style frame offers a dual-locking clutch system for support you can count on. Last but not least, the JS-XB100-B folds flat for easy storage and transport. The JamStands JS-XB100-B is a premium portable solution, and a perfect fit for almost any player!
