

BERLIN TBV118L-RC1

Road Case for 1 TBV118L Subwoofer

- Road case for 1 TBV118L subwoofer
- Plywood construction with impact resistant aluminium extruded edges
- High density foam internal construction protects loudspeakers in transit
- Plated steel handles and locking butterfly catches
- Lockable plated steel castors with rubber tyres
- 1-Year Warranty Program*
- Designed and engineered in the U.K.

The TBV118L-RC1 road case provides exceptional protection for your TBV118L Subwoofer and is designed to withstand the rigours of live concert touring. It is constructed from 12 mm rigid plywood with 40 x 40 mm durable aluminium edging extrusions. High density foam provides internal support and superior protection in transit, night after night, city after city.

The TBV118L-RC1 features premium plated steel hardware: lockable castors with rubber tyres, durable handles and locking butterfly catches for a long working life.

You Are Covered

We always strive to provide the best possible Customer Experience. Our products are made in our own MUSIC Group factory using state-of-the-art automation, enhanced production workflows and quality assurance labs with the most sophisticated test equipment available in the world. As a result, we have one of the lowest product failure rates in the industry, and we confidently back it up with a generous 1-Year Warranty program.

*Warranty details can be found at music-group.com.
