## TCS152-FP-WH

Fly Plate Kit for TCS152 Loudspeakers (White)

- Fly plate kit for TCS152 Loudspeakers
- Arrays loudspeakers in either vertical or horizontal configurations
- For use with inter-cabinet couplers
- Hard wearing semi matt white powder coat finish
- 10-Year Warranty Program\*
- Designed and engineered in the U.K.

The TCS152-FP-WH consists of a pair of steel fly plates specifically designed for flying TCS152-WH cabinets. The matt white powder coated fly plates feature recesses that accept TCS-FK1-WH inter-cabinet couplers, with all being secured to the cabinet using the four M10 bolts and spring washers supplied with the fly plate kits.

A complete TCS152-FP-WH kit is required for each TCS152-WH cabinet that is to be arrayed.

### You Are Covered

We always strive to provide the best possible Customer Experience. Our products are made in our own MUSIC Tribe factory using state-of-the-art automation, enhanced production workflows and quality assurance labs with the most sophisticated test equipment available in the world. As a result, we have one of the lowest product failure rates in the industry, and we confidently back it up with a generous Warranty program.

\*Warranty details can be found at musictri.be.

### Contents

### Mounting and Rigging

The TCS152-FP fly plate kit is designed to work with TCS152 series cabinets. It allows an array of two or more cabinets to be configured using various inter-cabinet couplers to join them together, or to join to a TCS115B subwoofer.

Horizontal clusters using fly plates and inter-cabinet couplers on top and bottom.

Vertical array using fly plates and inter-cabinet couplers on left and right.
