TCS62-SB-WH

Swivel Bracket for TCS62 Loudspeakers (White)

- Steel swivel bracket for TCS62 loudspeakers
- Mounts 1 speaker to a wall or below TCS122 and TCS152
- Hard wearing semi matt white powder coat finish
- 10-Year Warranty Program*
- Designed and engineered in the U.K.

The TCS62-SB-WH is a matt white, powder coated swivel bracket specifically designed to hang the TCS62-WH in standalone applications, such as ceiling mounting in bars or clubs, or as an under-balcony fill. The TCS62-SB-WH can also be used to hang the TCS62-WH as a front fill beneath a TCS122-WH or TCS152-WH cabinet, with the facility to alter the downward angle. The TCS62-SB-WH consists of two parts: a ceiling plate; and a speaker plate, allowing each part to be fixed individually, and then assembled and angled to achieve the desired coverage.

You Are Covered

We always strive to provide the best possible Customer Experience. Our products are made in our own MUSIC Tribe factory using state-of-the-art automation, enhanced production workflows and quality assurance labs with the most sophisticated test equipment available in the world. As a result, we have one of the lowest product failure rates in the industry, and we confidently back it up with a generous Warranty program.

*Warranty details can be found at musictri.be.
