ATHENS TCS-FK1

Inter-Cabinet Couplers for TCS122 or
TCS152 Loudspeakers

- Inter-cabinet couplers for TCS loudspeakers
- Arrays multiples of TCS122 or TCS152
- Hard wearing semi matt black powder coat finish
- 10-Year Warranty Program*
- Designed and engineered in the U.K.

The TCS-FK1 consists of a pair of steel inter-cabinet couplers specifically designed to link two TCS122 or TCS152 cabinets together. The matt black powder coated couplers fit into the recesses provided in the fly plates, and are secured using the M10 bolts and washers supplied with their respective fly plate kits.

You Are Covered

We always strive to provide the best possible Customer Experience. Our products are made in our own MUSIC Tribe factory using state-of-the-art automation, enhanced production workflows and quality assurance labs with the most sophisticated test equipment available in the world. As a result, we have one of the lowest product failure rates in the industry, and we confidently back it up with a generous Warranty program.

*Warranty details can be found at musictri.be.
