ATHENS TCS-FK3-R

Inter-Cabinet Couplers for TCS115B
Subwoofers (Weather Resistant)

- Inter-cabinet couplers for TCS loudspeakers
- Arrays multiple TCS115B subwoofers
- Weather resistant stainless steel construction
- Hard wearing semi matt black powder coat finish
- 3-Year Warranty Program*
- Designed and engineered in the U.K.

The TCS-FK3-R consists of a pair of stainless steel weather resistant inter-cabinet couplers specifically designed to link two TCS115B weather resistant cabinets together. The matt black powder coated couplers fit into the recesses provided in the TCS115-FP-R fly plates, and are secured using the M10 bolts and washers supplied with the fly plate kits.

You Are Covered

We always strive to provide the best possible Customer Experience. Our products are made in our own MUSIC Group factory using state-of-the-art automation, enhanced production workflows and quality assurance labs with the most sophisticated test equipment available in the world. As a result, we have one of the lowest product failure rates in the industry, and we confidently back it up with a generous 3-Year Warranty program.

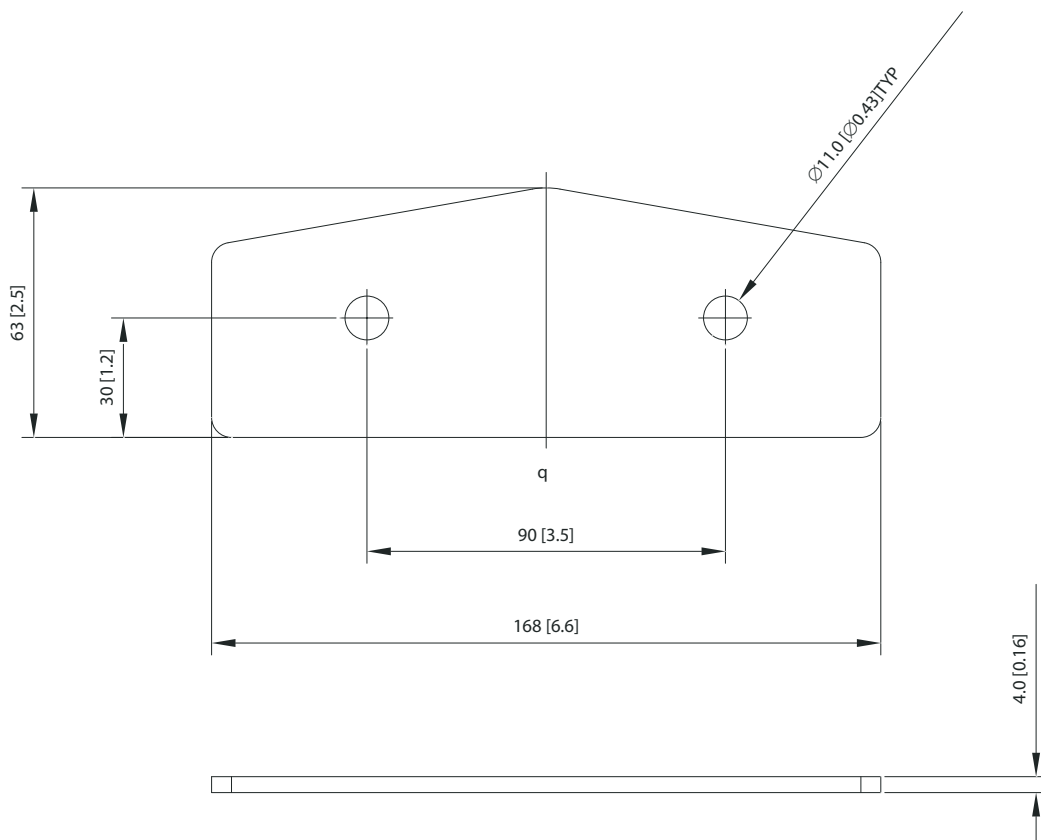

*Warranty details can be found at music-group.com.

Contents

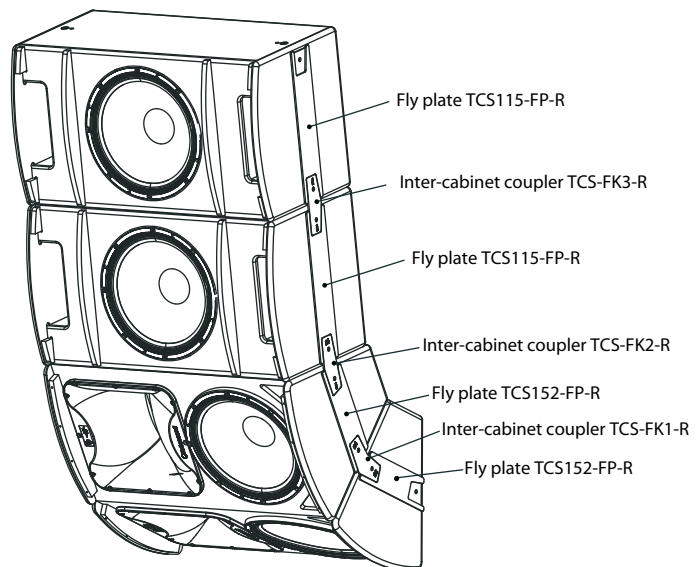

Mounting and Rigging

The TCS-FK3-R inter-cabinet coupler is designed to work with the TCS115B subwoofer. It allows an array of two or more cabinets to be configured using the TCS115-FP-R fly plate kit.

Horizontal pair using fly plates and inter-cabinet couplers on top and bottom.

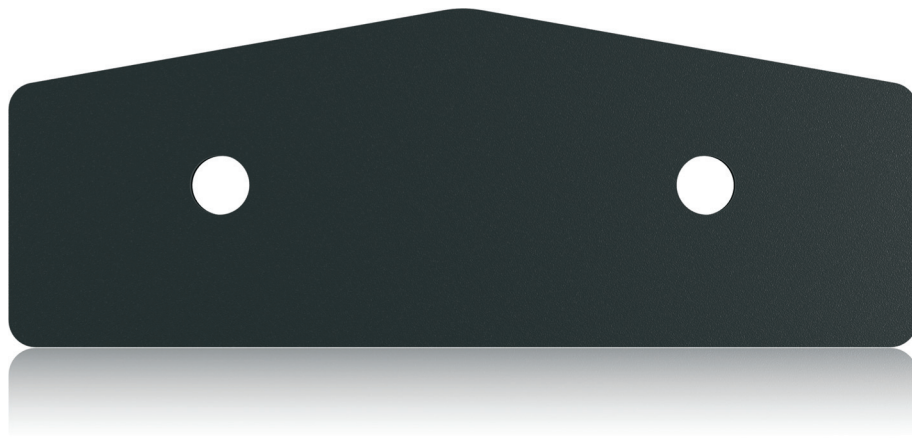

Vertical array using fly plates and inter-cabinet couplers on left and right.
