Flat Panel Tabletop Stand

FOR 32" TO 50" DISPLAYS

The PLT-BLK Tabletop Stand is ideal to place a large flat panel on a table or credenza in a boardroom, conference room, reception area, or in the home while still enjoying viewing adjustment. With a twist of a knob, the display tilts 5° backward or 10° forward for the perfect viewing angle. For added functionality, the base can either sit in a fixed position or swivel with 360° rotation. This tabletop stand features an indicator window as a visual guide to help ensure a safe installation. Model-specific PLP adaptor plates are available to match your display make and model, sold separately.

- Fits any display-specific PLP adaptor plate (sold separately)
- 5° backward and 10° forward tilt
- Indicator window provides a visual guide for easy and safe installation
- Black graphite laminate base
- Felt ring on bottom of base protects tabletop surface

BUILT-IN SWIVEL

Base can either rest in a fixed position or swivel with 360° rotation

INTERNAL CABLE MANAGEMENT

To keep cables out of the way

Dedicated Adaptor Plates.
PLP-V models, sold separately
