

XK-3

Never before has this been done. Offering you classic "tone-wheel" sound utilizing 96-Digital Tone Wheels. New VASEIII sound generator produces all vintage B3 sounds and characteristics. PLUS, Internal Vacuum Tubes allow PRE-AMP and OVERDRIVE Mode using control knob.

XPK-100

Optional 13-note MIDI pedal board available.

The **Hammond XK-3** houses two **Internal Vacuum Tubes** that will change from **PRE-AMP MODE** to **OVERDRIVE MODE** using the control knob.

Hammond XK-3

Pure Vintage Hammond B-3 Sound.

WHAT THE XK-3 IS MADE OF

This new instrument does what has never been done before offering you the classic "tone-wheel" sound by utilizing 96-DIGITAL TONE WHEELS! This new VASE III sound-generator now makes it possible to reproduce all of the characteristics of the vintage Hammond B-3. Additionally, the Hammond XK-3 houses two INTERNAL VACUUM TUBES that will change continuously from PRE-AMP MODE to OVERDRIVE MODE via control knob.

But wait! The new Hammond XK-3 also includes 12 REVERSE COLOUR KEY PRESETS, 3 SETS OF DRAWBARS, A 2-ROTOR DIGITAL LESLIE, and A 6-POSITION ROTARY VIBRATO-CHORUS KNOB, all the features you would expect to find on a Hammond Vintage B-3.

But there's more. The XK-3 will perform like no previous tone-wheel Hammond could ever do, with features like a library of 132 PROGRAMMABLE PATCHES allows you to save and store your own Drawbar combinations, MIDI information, whatever you like. And just think, all this in a 19.5 Kg. package that won't break your back or your budget.
