

# CVC-1700

## Designer Series B/W Weatherproof Bullet Camera with Sunshield (Black Housing)

With a sleek look and miniature dimensions, the CVC-1700 is a great choice for fixed focus applications. It is complete with a protective sunshield and features multiple mounting options. This B/W camera has a 1/3" CCD with a 420 line resolution. It also has low power consumption and yields great picture quality down to 0.02 lux. It uses a built-in electronic shutter with a 3.6mm lens. An adjustable mounting bracket can be wall or ceiling mounted for maximum versatility. Video and power cable is passed through the mount for protection and a 12V DC power supply is included. This camera is also offered with a white (CVC-1700W) or silver (CVC-1700S) housing.

### Specifications
