Weatherproof Color Bullet Camera with 48 Infrared LEDs and 12V DC Operation

CVC-960IR

Our color bullet camera with infrared LEDs automatically switches to B/W in the low light IR mode. It features 420 line resolution with a 0 lux rating when illuminators are on and 1.0 lux rating when illuminators are off. A built-in fan operates when the LEDs are active. It also has auto white balance, auto back light compensation and internal synchronization. A regulated 12V DC power supply (UL and CSA listed) is included.

Specifications

Resolution	420 line
Minimum Illumination	0 lux (IR illuminator on), 1.0 lux (IR illuminator off)
Electronic Shutter	1/60 sec. to 100,000 sec.
Image Sensor	1/4" CCD
Lens	3.6mm auto iris lens
Built-in Fan	Activates when LEDs are active
Features	Auto white balance, auto back light compensation, internal synchronization
IR LEDs	48 PCS @ 840 NM
IR Range	Up to 60 ft. (depending on scene reflection)
Dimensions	7.25" L x 3" W x 3" H
Power Supply	Regulated 12V DC power supply included (UL and CSA listed)

Specifications subject to change
