Black & White Video Security Intercom System

VDP-5000

Our two-way black & white video security intercom system has a flat 4" B/W screen. It offers a two way manual switcher, a 165 foot maximum wiring distance and can be used with an optional door release. The manual switcher allows the system to be expandable up to 2 monitors and 2 cameras. The system comes with an outdoor flush mount camera.
