

Product Specifications

SRH840 Professional Monitoring Headphones

Overview

Designed for professional audio engineers and musicians, the SRH840 Professional Monitoring Headphones are optimized for studio recording and critical listening. 40 mm drivers are tuned to deliver a precisely tailored frequency response with rich bass, clear mid-range and extended highs. Replaceable cable and included set of replacement ear pads ensure long product life.

Features

- Precisely tailored frequency response delivers rich bass, clear mid-range and extended highs
- Wide, padded headband provides ergonomic fit for superior comfort over extended periods
- Closed-back, circumaural design rests comfortably over the ears and reduces background noise
- Collapsible design for easy storage and portability
- Legendary Shure quality to withstand the rigors of everyday use
- Bayonet clip securely locks cable into ear cup
- Replaceable ear cup pads included to ensure long product life
- 3m coiled detachable cable provides plenty of length and easy storage and replacement
