

## RGB Retro FX

Infinipix™ Spekro is unique, lightweight, and delivers larger than life retro-style graphic EQ LED effects that's perfect for installation and mobile entertainers alike. It offers 7x diffused LED blocks, each containing 28x SMD 5050 RGB LEDs, and comes with mounting brackets, hardware to connect fixtures together (horizontally and vertically), plus a flip-out stand for quick floor-standing setups.

## Fully Loaded

It comes loaded with a total of 196x video friendly (flicker-free) LEDs, offers a wide selection of DMX control modes, or simple setup with master/slave, auto, and sound active capability. Other features include 3/5-pin DMX in/out connections, powerCON-compatible power in/out, and it even has a +5V USB port that can supply power to our SoC-It™ wireless DMX control solution.

## Main Features

- 196 tri-color SMD 5050 LEDs (RGB)
- 7 blocks (23 x 23 cm), each with 28 LEDs
- 4 horizontal LED sections per block
- Free standing setup with 0-40° flip-out stand
- Includes hardware for multiple unit rigging
- +5V USB can directly power SoC-It™ wireless DMX
- 4-button control menu with LED display
- PowerCON-compatible power input/output
- 3/5-pin XLR input/output
