The DVD Coach Model #: EZD880

The DVD Coach Single Target Duplicator is the world's first Ultra Slim Portable DVD/CD Duplicator. Its compact innovative design represents an important advancement in the DVD/CD duplication industry. Unlike other types of systems, the Slim DVDup is easy to use and versatile. The DVD Coach functions as a stand-alone DVD/CD duplicator and can be plugged into a computer to function as two external drives. Beginners and advanced users will find the DVD Coach a perfect portable solution.

Studio Standard Series

EZ Dupe's line up of professional Rackmount duplication systems comes in 3, 5, 7, or 9 target configurations. All include a premium 250GB hard drive.

Upgrades on Rackmount systems can include computer connectivity with your choice of USB 2.0 or Firewire as well as additional storage capacity with a 500GB premium hard drive.
