Motif™ risplendi. 150

150W, Full Color LED Pendant

RGBAL Color Mixing

Motif™ Risplendi 150 is an ETL listed, full color architectural pendant light with a 150W RGBAL COB LED light source. It offers high CRI white and vivid mixed colors that can easily provide reading-level brightness when installed in high ceilings. It comes with a pre-installed 80° diffuser lens and 3 replaceable Fresnel lenses (30°, 45°, and 60°) for a variety of beam angles.

Versatile & Adaptable

Its stylish aluminum housing comes in your choice of black, white, or space gray, and its mounting options include an adjustable yoke or a stable bracket for permanent vertical installations. It offers switchable power that includes a powerCON TRUE1™ compatible input and terminal block for hardwiring, plus it also has emergency power connections so you'll never be left in the dark.

Housing colors:

- ● Black
- ○ White
- ● Space Gray

Part# SNOOT-Motif Risplendi B, W, or SG (not included)

Main Features

- Light source: 150W RGBAL COB LED
- Built-in color & chase macros via DMX
- Built-in automated programs via master/slave
- Color mixing ability in standalone mode
