# COLORISE
## RGBALC

## Next-Level Color Mixing

### Indoor Brilliance

Colorise™ RGBALC is an IP20 rated indoor LED wash fixture with 7x 20W RGBALC 6-in-1 LEDs and exceptional lighting capabilities. It delivers dynamic color mixing and smooth virtual color wheel effects. With its precise 25° beam angle, variable electronic dimming, and eye-catching strobe effects, this fixture offers unparalleled versatility and captivating brilliance. Crafted for indoor performance, it stands as a top choice for any indoor lighting application, from concerts to theatrical productions.

### Control & Design

Designed for durability and user-friendly control, the Colorise™ RGBALC is housed in convection-cooled cast aluminum and equipped with locking AC connections. Its OLED menu with touch-sensitive buttons ensures intuitive operation, while dual mounting brackets add mounting flexibility. With flicker-free LEDs, it's perfect for video applications, and its multiple dimming curves and user-customizable effects enhance adaptability, making it a reliable and innovative solution for diverse indoor lighting scenarios.

### Main Features

- Color mixing via 7x 20W RGBALC 6-in-1 LEDs
- Variable electronic dimming & strobe
- Auto mode and custom macro effects
- Virtual color wheel effects
- Color presets and custom colors
- 2700K to 6500K white presets
- 4x user-selectable dimming curves
- Flicker-free constant-current LED driver
- OLED menu with 4x touch-sensitive buttons
- IP20 rated, suitable for indoor use
- Dual mounting brackets
- Convection cooled cast aluminum housing
- Locking power and 3/5-pin DMX connections

### Luminous Intensity

| Beam | 2M | 2.5M | 3M | 4M | 5M |
|---|---|---|---|---|---|
| 25° | 8,978 | 6,204 | 4,322 | 2,348 | 1,401 |
