

# THRASH212 GO

12" BATTERY-POWERED LOUDSPEAKER

GO Places. Whether it's your favorite playlist, a live performance or a night at the club, Thrash212 GO empowers you to take great-sounding audio anywhere.

Thrash212 GO is a full-size, battery-powered loudspeaker that combines the convenience of a Bluetooth® speaker with the powerful, professional sound of a traditional PA. Take your music to new places thanks to a rechargeable battery system, Bluetooth streaming, and crystal-clear, high-output performance. Go off the grid, and take Mackie sound with you.
