Package Content

- | | |
|-------------------------------|----------------------------------|
| 1 x USB 2.0 Extender | 1 x Quick Start Guide |
| 1 x USB Type-A Female Adapter | 1 x Warranty / Registration Card |

Installation

1. Connect the USB Type-A connector to any available USB port on your computer.
2. Connect the USB Type-A connector of your USB device to the female port end of the USB Extender Cable.

Note: If your USB device (i.e. 2.5" external HD) requires full USB power support, please plug in your device to a powered USB hub first then plug in that hub to the extension cable to ensure sufficient power supply.

3. If your USB device's connector does not fit into the female port, please use the included USB Type-A Female Adapter to connect your USB device and the USB Extender Cable. You may purchase additional units and daisy chain up to 3 units / 117 ft.

This product carries a 3 Year Limited Warranty. For the terms and conditions of this warranty, please go to <http://www.iogear.com/support/warranty> or call 1-866-946-4327

Federal Communications Commission (FCC) Statement

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential setting. This product generates, uses, and can radiate radio frequency energy and, if not installed and used as directed, it may cause harmful interference to radio communications. Although this product complies with the limits for a Class B digital device, there is no guarantee that interference will not occur in a particular installation.

CE Compliance

This device has been tested and found to comply with the following European Union directives: Electromagnetic Capability (89/336/EMC), Low Voltage (73/23/EEC) and R&TTEd (1999/5/EC).
