

iSeries 8-Mic Case

3i-1610-MC8

The 3i-1610-MC8 microphone case features high quality PE foam that holds eight handheld, wired microphones stored vertically. The microphone slots are designed to hold the most popular brands of handheld microphones, with finger cutouts that provide easy access. A large 10" x 8" x 9" compartment accommodates cables, direct boxes, and microphone clips.

SKB iSeries Injection Molded Mil-Standard Waterproof Cases are molded of ultra high-strength polypropylene copolymer resin, featuring a gasket-sealed, water and dust tight, submersible design (MIL-STD 810G) that is resistant to corrosion and impact damage. Standard features include a molded-in hinge, padlock loops, patented trigger release latches, snap-down rubber over-molded cushion grip handle, automatic ambient pressure equalization valve (MIL-STD 810G), and resistance to UV, solvents, corrosion, fungus and impact damage (MIL-STD
