

# DROP-PC™

## Power Thru + 4x Edison Outlet Stage Power Drop Box

### 4x Outlets + Power Thru

Built with safe and reliable power connections, Drop-PC™ provides powerCON® compatible In/Out power thru on either end, and has a total of 4x 20A Edison power outlets (2 per side).

### Portable & Expandable

They offer 12ga internal wiring, soldered connections, and a tough molded rubber outer casing. Users can power link as many as needed for any given application.

### Main Features

- 4x 20A Edison power outlets
- PowerCON® compatible power thru
- Extremely tough molded rubber enclosure
- 12 gauge internal wiring with fully soldered connections
- Insulated and resistant to shock, impact, and corrosion
- Feed thru allows multiple drop boxes to be linked together
- Hook and loop strap included. Attach Drop™ to truss, or use it as a fashion accessory!
