

Universal Swingout Arm

The latest addition to the Premier Mounts product line is our new Universal Swingout Arm for 40"-61" displays.

This revolutionary design features our patented Radial Glide Technology™ which offers smooth tilt adjustment of +/-10°. You can pull your LCD/Plasma up to 26" from the wall and push it back to just under 4" off the wall when collapsed. All of your cables can be hidden inside our innovative cable management ports. Plus, it's backed by our industry-leading Lifetime Guarantee.
