

PRO-IMAGER HORIZONTAL MASKING SYSTEM

Motorized System for Masking HDTV Format to NTSC Format

- System can be installed over Da-Lite's Imager, Da-Snap, Perm-Wall or rear projection screens or over any other permanently wall mounted screen (sold separately).
- Masks the screen from an HDTV format to an NTSC format.
- Masking fabric attached to a slat bar will mask the screen equally on each side.
- Masking fabric will lower from the top with the slat bar concealed in the bottom frame.

Pro-Trim® fabric frame covering available to enhance appearance and absorb ambient light.
