D-17M

000-17SM

**MARTIN GUITARS 17 SERIES**

So popular they're back in production for a third time. These all solid-wood guitars resurrect the classic aesthetics of Martin's Style 17 guitars, which were produced from 1856-1898 and 1906-1968. Both models feature a shaded gloss Sitka Spruce top, mahogany back and sides, and tortoise brown binding. The dreadnought-sized D-17M is perfect for everything from introspective fingerpicking to fiery rock 'n' roll, while 000-sized 000-17SM provides a smaller 12th-fret body and vintage-style slotted headstock.
