Because a basic sound is used by multiple keys,
Some keys share the same ring and decay.

MULTISAMPLING

SuperNATURAL Piano combines 88-key multisampling with Roland's revolutionary V-Piano[®] technology, creating an incredibly accurate reproduction of a fine acoustic grand.

NATURAL DECAY

SuperNATURAL Piano provides pleasing and natural note decay, even with variations in damper pedal use.

ORGANIC TONAL CHANGES

With SuperNATURAL Piano, every key generates smooth and organic sound throughout the entire playing range, from pianissimo to forte.
