

Hartke®

KM200

HARTKE KM SERIES KEYBOARD AMPS The KM60 has 60W of power driving a 10" aluminum cone driver, working with a ceramic tweeter giving you a powerful full-range 2-way system. It has a mic/line input on channel 1, as well as 3 additional line inputs, stereo aux in, a 7-band graphic EQ, and an XLR direct output. The KM100 shares the same base features as the KM60 but increases feature set to 100W, w/12" driver, and 4 mono-line inputs. The flagship KM200 increases features to 200W, 15" driver, 4 stereo channels (8 inputs), and an independent local, PA, & headphone bus section.
