

MARTIN GUITARS USB ACOUSTIC/ELECTRIC GUITARS

Classic and current combine to create these great-sounding, affordable instruments with onboard USB for making great-sounding computer-based recordings. The comfortable solid Sipo 14-fret neck hosts 20 frets on its black Richlite fretboard while the A-Frame "X-1"-braced solid Sitka Spruce top creates crisp cutting tone, mellowed slightly by the solid saepele back and sides. The natural-sounding onboard Fishman Sonitone USB preamp places volume and tone controls inside the soundhole, where they're easily accessible for on-the-fly adjustments, and provides 1/4" and USB connections. Hardshell case included.

ITEM	DESCRIPTION	PRICE

00ORSGT	000 USB acoustic/electric guitar	999.00

MARTIN GUITARS SHADED ACOUSTIC GUITARS

Whether they're being played by a campfire, or under stage lights, these shaded-top acoustic/electric guitars look as great as they sound. The solid Sitka Spruce top offers eye-catching 17-style shading and clear tone while the sapele back and sides add warmth to the tone. Hybrid "X" scalloped bracing provides a strong base for the top, while still allowing it to resonate freely and project amazing tone. For amplified situations, the onboard Fishman F1 Analog preamp provides volume, tone and phase controls and also includes an onboard tuner to help ensure your performances will sound their best. Includes hardshell case.

ITEM	DESCRIPTION	PRICE

MARTIN GUITARS DCPA5 AND GPCPA5 PERFORMING ARTIST SERIES ACOUSTIC GUITARS

Available in both a Dreadnought (DCPA5) and grand performance (GPCPA5) cutaways, both guitars feature a solid Sitka Spruce top, koa-patterned high pressure laminate (HPL) back/sides, and 14-fret High Performance™ Neck. Play unplugged, or amplified via Fishman F1 analog electronics.

ITEM	DESCRIPTION	PRICE
DCPA5K	Dreadnought, natural	799.00
GPCPA5K	Grand performance, natural	799.00

MARTIN GUITARS 17 SERIES

So popular they're back in production for a third time. These all solid-wood guitars resurrect the classic aesthetics of Martin's Style 17 guitars, which were produced from 1856-1898 and 1906-1968. Both models feature a shaded gloss Sitka Spruce top, mahogany back and sides, and tortoise brown binding. The dreadnought-sized D-17M is perfect for everything from introspective fingerpicking to fiery rock 'n' roll, while 000-sized 000-17SM provides a smaller 12th-fret body and vintage-style slotted headstock.

ITEM	DESCRIPTION	PRICE
D-17M	Dreadnought acoustic guitar	1499.00
000-17SM	000-size 12th-fret acoustic guitar	1599.00

MARTIN GUITARS X-SERIES This series features Martin's designs, but with high-pressure laminate (HPL) backs and sides. This makes these instruments more affordable and environmentally friendly. X Series guitars are available in a variety of shapes and sizes including 12-strings, cutaways with electronics, short scale instruments, left-handed varieties, and many colors and wood finishes. Please visit our site for all the available options.

ITEM	DESCRIPTION	PRICE
DX1AE	Dreadnought, HPL mahogany back and sides, solid spruce top	549.00
D12X1AE	12-string Dreadnought, HPL mahogany back and sides, solid spruce top, Fishman electronics	649.00
LX1-MARTIN	3/4-sized, HPL mahogany back and sides, solid spruce top	299.00

MARTIN GUITARS STANDARD SERIES The Standard models are the foundation for all other Martin designs - and many other guitar builders as well. They feature all solid wood construction and hand-fit dovetail neck joints. All models include a molded hard shell case. Electronics optional for all models and other options are also available. Please visit our site for all the available options.

Takamine

GY93-NAT

NEW!

TAKAMINE GY93 PARLOR ACOUSTIC GUITAR

This petite guitar offers refined aesthetics and a distinct tone you can only achieve by playing a “smallbody”. The solid spruce top is mated to rosewood sides and a gorgeous 3-piece rosewood/quilt maple back – creating focused, articulate tone. The slim mahogany neck supports a bound 20-fret rosewood fretboard with an upscale feel. Both single-note runs and strummed chords will be in perfect tune thanks to the split-saddle rosewood bridge and synthetic bone nut. Other features include maple binding, dark wooden rosette and body purfling, gold die-cast tuners with black buttons and abalone dot inlays.

TAKAMINE GB30 ACOUSTIC/ELECTRIC BASSES

Over 50 years of design experience has gone into these performance-ready instruments. No matter what the stage situation is, you’ll be ready for it with the onboard Takamine TK-40B preamp system. This high-quality preamp provides realistic sonic reproduction as well as a built-in tuner, 3-band EQ and gain controls, mid-shift control to precisely dial-in mids and bass boost switch. The soft Venetian cutaway, pearl dot inlays, abalone rosette and chrome die-cast tuners capture your audience’s eyes while the solid spruce top and mahogany neck/back/sides create superior tone for days to entrance their ears.

ITEM	DESCRIPTION	PRICE
GB30CE	Acoustic/electric bass, Gloss Natural	499.99

P1M

P1JC

TAKAMINE P1 SERIES ACOUSTIC/ELECTRIC GUITARS State-of-the-art electronics and proven design features combine to create this line of easy-playing, flexible acoustic/electric guitars. The classic satin natural solid cedar top and sapele back/sides provide rich tone and volume. If you need even more projection, you can plug in to an amp and use the onboard Palathetic™ pickup and CT4B-II preamp with 3-band EQ, volume control and integrated tuner to amplify yourself. The split-saddle bone bridge delivers precise intonation as you play up and down the comfortable mahogany neck which offers a rosewood fretboard and die-cast tuners.

P3NY

TAKAMINE P3 SERIES ACOUSTIC/ELECTRIC GUITARS These gorgeous guitars come in a wide variety of body styles and sizes (including 12-string and classical models), each of which has a uniquely dynamic voice and smooth feel. Clear, warm tone is created by a split-saddle bone bridge coupled to a solid cedar top that features hand-scalloped X-bracing - all matched to a solid sapele back. The mahogany neck features a rosewood fretboard with unique wooden “dot-in-dot” inlay for understated elegance. Other aesthetic appointments include classic satin natural finish, gold tuners with amber buttons, ivory binding with dark purfling and a wood marquetry rosette. All models offer Takamine’s own Palathetic™ pickup and CT4B-II preamp which includes 3-band EQ, volume control and an onboard tuner.

ITEM	DESCRIPTION	PRICE

TAKAMINE GD10CE ACOUSTIC/ELECTRIC GUITAR Ideal for any player needing a guitar that performs well above its price point, this natural satin finish dreadnought cutaway balances style with sound. The select spruce top and mahogany back/sides provide full, well-balanced tone, while the 12”-radius rosewood fretboard and mahogany neck offer ease of playability. Other features include synthetic bone nut and compensated saddle, pin-less bridge for easy string changes, and die-cast chrome tuners. The GD10CE also includes an onboard TP-E preamp system with volume/tone controls, tuner and mid-cut switch for when it’s time to amplify your performance.

ITEM	DESCRIPTION	PRICE
GD10CE-NS	Dreadnought cutaway acoustic/electric guitar	269.99

TAKAMINE GD20 ACOUSTIC GUITAR This guitar is perfect for the acoustic player who yearns for something off the beaten path. It has a beautifully detailed and warm tone, courtesy of the natural satin finished solid cedar top with quartersawn X-bracing and mahogany back/sides. Chords and melodic runs alike will have superior intonation due to the combination of the split-saddle synthetic bone saddle and pin-less rosewood bridge, which also makes string-changing easy. Other features include a 1-11/16” synthetic bone nut which is great for strummed chording or fingerstyle playing, rosewood headcap, chrome die-cast tuners and pearloid dot inlays.

ITEM	DESCRIPTION	PRICE
