# YOU HOST

# WE PLAN, SET-UP, STAGE, TEAR-DOWN

"Thank you so much for your assistance from the beginning when I described our event, through to the day of and all of your help. We will look forward to repeating the event with you next year."

— Rowan Childs & MRP Family

Sometimes you want to delegate the production of an event and be assured that it will be done right. Full Compass welcomes the opportunity! We provide services for full audio/video set-ups for company events, presentations, parties, theatrical productions, do-it-yourself weddings and more.

Whether you need motors to hang your truss rig, black velour drape for a backdrop, communications system for your event staff, or an entire stage, let us help elevate your production.
